CAR WASH

3.78L: Concentrated;
Dilution ratio = 1:100;
Pneumatic cleaning gun = 1:50-1:100;
Foam cannon = 1:3-1:5
473ml: Ready-to-use

1:100

LUCENT GRAPHENE SHAMPOO

- Contains graphene ceramic resins
- Helps maintain and revitalise graphene and ceramic coatings
- Highly concentrated, low viscosity, free rinsing formula
- Easily removes road films and grime

Part No.	Size
G03012	473ml
G03026	3.78ltr

3.78L: Concentrated;
Dilution ratio = 1:50-1:100
473ml: Ready-to-use

1:100

MULTITASK ALL PURPOSE CLEANER

- Ideal for cleaning and reconditioning all interior surfaces
- Fabric softeners and optical brighteners enhance carpets, upholstery, vinyl, and leather
- Keeps dust off for a long-lasting clean finish
- Safely breaks down, lifts, and encapsulates dirt and grime

Part No.	Size
G03007	473ml
G03030	3.78ltr

3.78L: Concentrated;
Dilution ratio = 1:5
473ml: Ready-to-use

DISSOLVE WATER SPOT REMOVER

- Dissolves water spot marks quickly
- Fast-acting formula softens and emulsifies hard residue
- Particularly useful for freshly applied nanotechnology-based quartz coatings

Part No.	Size
G03001	473ml
G03022	3.78ltr

BLEED IRON & FALLOUT REMOVER

- Eradicates sharp, embedded metal shrapnel
- Cuts through iron and brake dust contamination
- Chemically dissolves metal particles into a rinsable solution
- Decontaminates paint and wheels to prevent corrosion
- Safe for use on paintwork, glass and wheels

Part No.	Size
G03002	473ml
G03024	3.78ltr

3.78L: Concentrated;
Snow foam cannon = 1:10-1:15
473ml: Ready-to-use

HYDROX JET WET COAT

- Fast-acting hydrophobic spray that repels water, dirt, and grime
- Provides a glossy, self-cleaning finish on paint, wheels, glass, vinyl, and PPF
- Enhances gloss and extends the durability of existing SiO₂ coatings

Part No.	Size
G01005	473ml
G01006	3.78ltr

Easy and fast application

Repels water and dirt for easy maintenance

Sleek, shiny finish

GLYDE CERAMIC SPRAY SEALANT

- Hydrophobic ceramic spray that repels dirt, dust, and contaminants
- Enhances gloss and extends the durability of existing coatings
- Easy-to-apply formula works as a standalone sealant or a booster for ceramic coatings

Part No.	Size
G01003	473ml
G01004	3.78ltr

Easy and fast application

Repels water and dirt for easy maintenance

Sleek, shiny finish

GLOSSLOCK CERAMIC CRYSTAL LIQUID WAX

- Fully synthetic wax that provides durable protection for all paint finishes, including ceramic coatings
- Creates a hydrophobic layer that repels water, dirt, and contaminants
- Restores original colour and delivers a mirror-like, high-gloss finish

Part No.	Size
G02001	473ml
G02002	3.78ltr

3.78L: Concentrated;
Dilution ratio = 1:20
473ml: Ready-to-use

NEUTRAL INTERIOR CLEANER

- Easily removes dirt, grime and oily soils from leather, plastic and vinyl
- Restores a brand new natural shine
- Proprietary conditioner prevents drying, fading and cracking

Part No.	Size
G03011	473ml
G03038	3.78ltr

3.78L: Concentrated;
Dilution ratio = 1:10

DRESSIX ULTIMATE DIVERSE DRESSING

- Versatile dressing for interior and exterior surfaces, including leather, plastic, and vinyl
- Formulated with natural ingredients like lanolin and glycerine for deep shine and nourishment
- Leaves a streak-free, residue-free finish without white marks

Part No.	Size
G03031	3.78ltr

PURELIFT LEATHER CLEANER

- Removes dirt, grease, sweat, and other residues from all types of fine natural leather, durable sealed leather, and synthetic leather materials
- Refreshes and extends the life of leather surfaces
- Leaves an oil and grease-free satin finish

Part No.	Size
G03015	473ml
G03037	3.78ltr

ENRICH LEATHER CONDITIONER

- Nourishes and protects all types of leather
- In-built moisturisers prevent ageing, preserving original texture
- Extreme stain & dye transfer prevention
- Cleans and conditions natural leather in one step
- Provides UV protection against sunlight

Part No.	Size
G03016	300ml
G03036	3.78ltr

PATINA INTERIOR QUICK DETAILER

- Leather, vinyl, and other interior car surface cleaner and conditioner
- Contains UV inhibitor to retard sun fading
- Uses the finest natural oils to penetrate, soften, and lubricate the interior car surfaces

Part No.	Size
G03017	473ml

ENZVMAX DEODORIZER

- Eliminates unpleasant odours by targeting and neutralising them at their source
- Eliminates odors from car interiors, carpets, smoke, garbage, toilets, and post-renovation areas
- Non-bleaching or staining

Part No.	Size
G03020	473ml

250ml: Concentrated;
Dilution Ratio = 1:100

1:100

WINDSHIELD CLEANER

- Quickly removes dirt, grease, water spots, and other residues from glass surfaces
- Forms a protective film that reduces dust accumulation and oil adhesion
- Improves wiper blade performance for smoother, safer operation

Part No.	Size
G03013	250ml

3.78L: Concentrated;
Dilution ratio = 1:20
473ml: Ready-to-use

1:20

NO STREAK PREMIUM GLASS CLEANER

- Glass cleaner for windows & glass surfaces
- Streak free shine
- Removes dirt, dust, fingerprints, grease, oil and grime with no left over residue, no streaking and no fuss
- Improves visibility for safe driving

Part No.	Size
G03004	473ml
G03027	3.78ltr

3.78L: Concentrated;
Dilution Ratio = 1:10-1:20
473ml: Ready-to-use

1:20

BLITZ WHEEL CLEANER

- Safe for all wheels except electroplated finishes
- Easy-to-use and convenient trigger spray
- Powers through thick grime and contamination
- Helps prevent permanent damage to wheels and brakes
- Penetrates and loosens contaminants for easy rinsing

Part No.	Size
G03005	473ml
G03028	3.78ltr

NOIR SUPERIOR TYRE GEL

- Prevents tyres from cracking and adds lustre
- Quick absorption for wet aesthetic
- Maintains a rich black colour with a high-gloss
- Its gel formula delivers a mirror-like finish and long-lasting protection

Part No.	Size
G03010	473ml
G03033	3.78ltr

ABLATE TYRE & RUBBER CLEANER

- Penetrates and removes stubborn dirt, grime, and old dressing residues from tyres and rubber surfaces
- Fast-acting formula dissolves dirt and grime quickly and easily
- A gentle, effective formula that prevents rubber from cracking, fading, or deteriorating

Part No.	Size
G03014	473ml

3.78L: Concentrated;
Dilution Ratio = 1:2-1:6
473ml: Ready-to-use

1:6

BLAST ENGINE SURFACE CLEANER

- Works great on engines, machinery, tools, tyres, rims, and undercarriages
- Fast-acting formula penetrates and emulsifies grime, oil, and debris for easy rinsing
- Keeps equipment running smoothly with a mirror finish

Part No.	Size
G03006	473ml
G03029	3.78ltr

ERASE OIL & RESIDUE REMOVER

- Provides a streak-free shine
- Removes grime, dirt, fingerprints, and smudges
- Safe for tinted glass and sensitive finishes
- Use as final wipe down before applying waxes, coatings, or sealants

Part No.	Size
G03009	473ml
G03032	3.78ltr

3.78L: Concentrated;
Dilution Ratio = 1:3-1:5

1:5

PURGE BUG & BIRD-POO REMOVER

- Removes bug stains, bird droppings and other contaminants on your car surface
- Environmentally safe, non-toxic, and biodegradable
- Leaves surface clean, protected, and restored
- Safe on wax, clear coat, paint, decals, polishes all surfaces

Part No.	Size
G03021	473ml
G03034	3.78ltr

TARSOLVE TAR & STICKER REMOVER

- Safely dissolves tough contaminants, including tar, grease, adhesives, and insect residue
- Penetrates and loosens stubborn residues for effortless removal, restoring a clean and flawless finish
- No risk of damage to vehicle surfaces

Part No.	Size
G03018	473ml
G03035	3.78ltr

TACK-X ADHESIVE FILM & TAPE RESIDUE REMOVER

- Efficiently dissolves masking tape, glue, and other adhesive residues
- Works on car window tint, vinyl films, and household glass films
- Eco-friendly formula, 100% natural and water-soluble

Part No.	Size
G03019	473ml

REVIVEX PLASTIC RESTORER

- Long-lasting formula shields trim and exterior parts from corrosion and wear over time
- Restores exterior plastics, rubber, and vinyl to original look
- High-quality care lotion cleans and protects against corrosion
- Streak-free on wet surfaces

Part No.	Size
G03008	300ml
G03025	3.78ltr

For professional application, we offer high-quality accessories that are perfectly tailored to and designed for our product range. They make processing easier, improve results and above all save time and effort.

PROFESSIONAL ACCESSORIES

Perfectly suited to most paint correction tasks

MAGIC CLAY MITT

- Removes bonded contaminants such as tar, sap, and industrial fallout with ease
- Made from premium moya and microfibre materials for superior cleaning performance
- Restores paintwork to a smooth, glass-like finish in record time

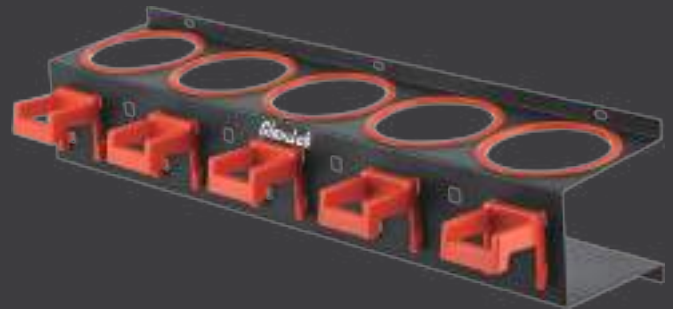

Part No.	Content
G02007	1pc

BRUSH & SPRAY BOTTLE HOLDER, WALL MOUNTED

- Designed to hold both trigger bottles and detailing brushes neatly in one place
- Constructed from durable, corrosion-resistant iron for long-term reliability
- Easy wall-mount installation (screws included)

Part No.	Content
G10032	1pc

BOTTLE HOLDER, WALL MOUNTED

- Holds up to five spray bottles with additional hooks for accessories
- Made from durable, cold-rolled steel for long-lasting strength and wear resistance
- Internal Diameter of 8.4cm

Part No.	Content
G10031	1pc

PROFESSIONAL SNOW FOAM CANNON

- Connects easily to most pressure washers for a powerful, efficient foam application
- Durable brass fittings ensure efficient performance
- Large 1L capacity ideal for both professional and enthusiast use
- M22X1.5mm Male thread with 14mm inner diameter

Part No.	Size
G10006	1ltr

CAR FOAM SPRAYER (2-IN-1)

- Dual-function design switches easily between foam and water modes
- Adjustable dial with five foam thickness settings for precise control
- Durable 1000 ml HDPE body built for long-term use

Part No.	Size
G10025	1ltr

SNOW FOAM WASHING SPRAY GUN

- Produces a large, stable airflow for fast and effective foam coverage
- Precise valve control allows easy adjustment of foam output
- Durable HDPE body and silicone tubing resist acids and alkalis
- Ergonomic design ensures comfort during extended use

Part No.	Size
G10026	1ltr

GAP DETAILING CLEANING GUN

- Combines high-pressure airflow and liquid spraying for deep interior cleaning
- Rotating swing tube evenly distributes cleaning solution while brushing surfaces
- Switch easily between liquid and air-only modes

Part No.	Size
G10027	1ltr

AIR PRESSURE BLOW CLEANING GUN

- Includes two attachments, one with bristles, for versatile cleaning applications
- Effectively removes dust, dirt, and debris from interior and exterior surfaces
- Suitable for cleaning carpets, plastics, and delicate surfaces

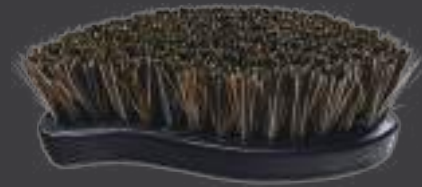

Part No.	Content
G10028	3pcs

CAR CEILING CLEANING GUN

- Combines high-pressure dust blowing and liquid spraying for effective cleaning
- Rotating swing tube ensures even brushing and stain removal on ceilings and interiors
- Compact, lightweight design allows easy handling and precise control

Part No.	Content
G10029	1 pc

INTERIOR UPHOLSTERY BRUSH

- Soft natural boar hair bristles gently lift dirt and dust without damaging surfaces
- Suitable for leather, cloth, alcantara, and carpet interior cleaning
- Durable construction designed for long-term, professional detailing performance

Part No.	Content
G10008	1 pc

DETAILING BRUSH SET, 5-PIECE

- Includes five precision brushes in various sizes for detailed cleaning tasks
- Ideal for dashboards, vents, emblems, seams, and other intricate areas
- Durable bristles and ergonomic handles ensure comfort and longevity

Part No.	Content
G10009	5pcs

WHEEL CLEANING BRUSH

- Soft polyester-coated bristles remove dirt and brake dust safely
- Galvanised wire core ensures strength and long-term durability
- Ideal for effective, scratch-free rim cleaning

Part No.	Content
G10035	1pc

DETAILING BRUSH KIT

- Complete 6-piece brush kit for interior and exterior detailing
- Includes brushes for delicate finishes, heavy grime, and tight spaces
- Durable design with extension adapters for hard-to-reach areas

Part No.	Content
G10036	6pcs

TYRE SCRUBBING BRUSH

- Firm, crimped nylon bristles for powerful and effective tyre cleaning
- Secure foam block handle provides comfort and stability during use
- Durable construction ensures long-lasting performance for professional detailing

Part No.	Content
G10012	1pc

TYRE & CARPET SCRUBBING BRUSH

- Curved design allows easy access to tight and hard-to-reach areas
- Stiff nylon bristles deliver deep cleaning on tyres and carpeted surfaces
- Soft-grip handle ensures comfort, control, and reduced fatigue during use

Part No.	Content
G10017	1pc

PET HAIR REMOVER BRUSH

- Dual-serrated design efficiently removes pet hair from seats, carpets, and fabrics
- Made from durable, washable ABS material for long-lasting use
- Lightweight and easy to handle, ideal for quick interior clean-ups

Part No.	Content
G10037	1pc

TYRE FOAM PAD APPLICATOR

- Ergonomic design provides comfort and precise control during application
- Evenly distributes tyre dressings, coatings, and waxes for a professional finish
- Perfect for low-profile tyres and deep tread patterns

Part No.	Content
G10023	1pc

TYRE DRESSING APPLICATOR PAD

- Perfect for tyres, exterior trim, and interior conditioning
- Block shape allows precise application on all surfaces
- Textured plastic grip eliminates messy, greasy hands
- The best part is the protective sleeve, which allows for clean and grease-free storage

Part No.	Content
G10038	1pc

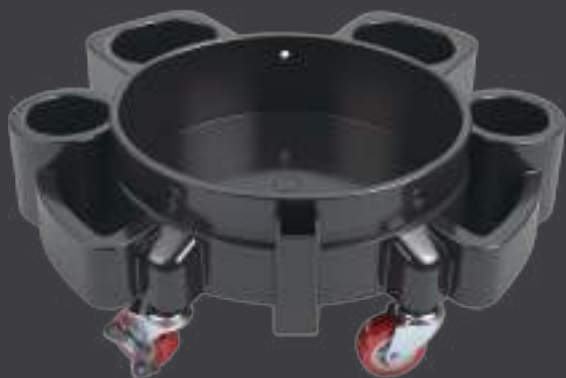

CAR WASH BUCKET

Little details make this large plastic detailing bucket an exceptional tool for detailing your car. Built tough from the strongest plastic polymers, this bucket will not bend or warp over years of car washes. The ergonomic, steel handle helps you carry up to 18.9 litres of soap and water to your car, and once you're there, the grip ring on the bottom prevents the bucket from slipping and sliding even on steep driveways and sidewalks.

- Constructed from heavy-duty plastic polymers for long-term durability and stability
- Includes lid and Dirt Defender to keep wash water clean and contaminant-free
- Ergonomic steel handle supports up to 18.9L for easy transport

Part No.	Content
G10033	1pc

CAR WASH BUCKET DOLLY

- 360° rotating dolly with universal rubber wheels for smooth mobility
- Multiple placement holes allow secure positioning of buckets and accessories
- Dual brakes provide stability and control during use

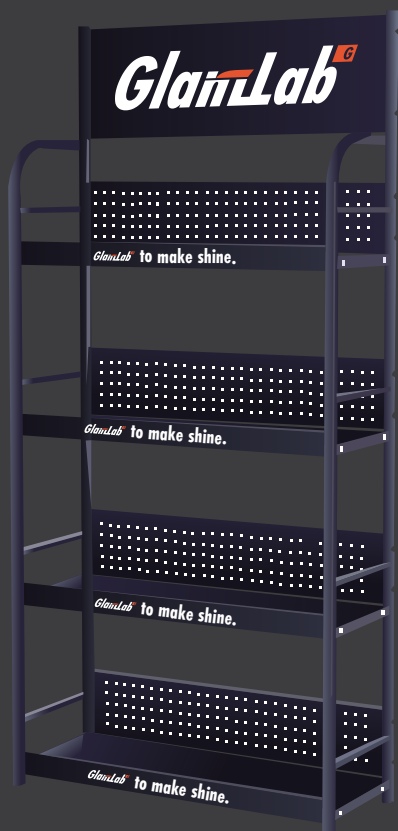

Part No.	Content
G10034	1pc

SPRAY BOTTLE, DISPENSER TYPE

- Simple plastic design allows easy labelling and product identification
- Suitable for spray detailers, waxes, all-purpose cleaners, glass cleaners, and more
- Durable, reusable, and finished with the Glanzlab logo for a professional look

Part No.	Content
G10030	1pc

GLANZLAB PRODUCT SHELVES

- Strong cold-rolled steel construction ensures long-lasting durability
- Configurable shelving adapts to a variety of storage needs
- Frees up floor space while keeping detailing products easily accessible
- Ideal for garages, workshops, or professional bays to create an organised workspace
